# OUR SERVICES

In addition to our vast product range and bespoke manufacturing, we provide a range of services to help efficiently manage your packaging stock and supply

**Account Management**

Our team of dedicated Account Managers have in-depth experience of our full product range and the bespoke requirements of our customers. They will be able to assist with any enquiry you may have, offering expert advice and the best solutions for all your packaging needs.

**Inventory Management**

We specialise in the storage and distribution of packaging, labels and supplies to our clients, making sure the flow of products from our 30,000 sq. ft. of warehouse space arrive on time, when you need them. Inventory management is a fundamental part of a thriving business. We can procure, stock hold, and organise the logistics for all of your packaging needs.

**Packaging Assessment**

If you are looking for the correct packaging to fit your products we can help you. We have the experience and capability, and we are always looking for new and innovative ways to package and process the array of products our customers deliver. The better and more efficiently your goods are packaged, wrapped and protected, the more you can add to your bottom line.

ALL NEW  
MAGNETISED  
DISPENSER

### Super fast roll change system

The unique combination of the notched film roll and Twist-Lock retention mechanism allows you to rapidly replace used rolls in seconds.

### Secure non-slip core retention

The **grip®film** robust core is designed to interface seamlessly with the **grip®** dispenser.

### Set the perfect tension

Once located... simply twist the Twist-Lock knob.

### Comfortable ergonomic grip

Manufactured from soft, tactile and easy-grip synthetic material to enhance feel and control.

### Lightweight

Manufactured from soft, tactile and easy-grip synthetic material to enhance feel and control.

### Extra tough skid plate

The **grip®** skid-plate lets you get low to grab those corners and doubles up as a handy base.

### Handy storage

The **grip®** hook is easily fixed to racking or a wall. A great alternative storage solution for your dispenser.

**ZEROTAPE**  
THE ERGONOMIC TAPE SYSTEM

**Performance Boosting**

Fewer roll changes due to over 2 times the tape length of many standard tapes. Fast and safe blade changes.

**Comfortable**

Reduced operating angle results in less wrist strain. Easy and smooth unwinding. Ventilated handle for better grip.

**Sustainable**

Longer rolls means less packaging waste, minimising your carbon footprint.

# CUSTOM PRINTED TAPE

Printed tape with your logo and branding will help your shipments stay visible during transit and keep your brand memorable with your customers.

Custom printing has more uses beyond branding; you can promote goods and services, label product types, add caution messages or show instructions.

We can print on almost any tape including polypropylene, vinyl, e-tape, floor tape and paper tapes. Under surface printing options available. Tell us what you need and we'll print it.

THE ERGONOMIC TAPE SYSTEM

**Performance Boosting**

Fewer roll changes due to over 2 times the tape length of many standard tapes. Fast and safe blade changes.

**Comfortable**

Reduced operating angle results in less wrist strain. Easy and smooth unwinding. Ventilated handle for better grip.

**Sustainable**

Longer rolls means less packaging waste, minimising your carbon footprint.

**FREE TRIAL**

Ask us about a free no-obligation ZeroTape® trial including dispenser and tape rolls
