

Owner Maintenance Advice

Optimus® Robot Pallet Wrappers

To prevent issues and ensure your wrapper remains in good working order, we recommend regular visual checks.

Weekly battery check essentials

Robot wrapper batteries require weekly checks, much like those on forklifts. Regular maintenance is key to ensuring optimal performance, reducing downtime, and extending the life of your equipment.

This sheet can be printed and used to keep a record.

Your wrapper machine ref:

Check date:

Battery charge level	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Water levels (if applicable)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Cable and connector condition	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Visible signs of wear or damage	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
